Folks,

Given the short coordination calls this morning, I am cancelling our PM call today. Here's the quick highlights:

Gold King (R8 Durango):

1. National call cancelled due to Area Command call with the Administrator (resume Sunday, 16 August)
2. CISM, PIO, and Mine SME Positions – Deployments confirmed

Gold King (R9 Farmington):

1. LOGS and LNO Positions – Deployments Cancelled (Peter calling Andy and Kay)
2. Possible LOGS Virtual Work R9 – Being considered by R9 (Waiting for confirmation)

Typhoon and TSs (SFO, Guam, Saipan):

1. Sibley arrived on Guam
2. ESF#10 2<sup>nd</sup> Shift Position – Being confirmed (Nick on standby)
3. Impact of TS Goni being tracked.

I think that's it. Catch up again tomorrow.

Thank you everyone!

Calvin
